

# ROLES AND FUNCTIONS

---

- **The Transfer Function**  
A college-level program of general education and specialized courses designed to prepare students to transfer to Bachelor's degree-granting colleges and universities.
- **The Technical Education Function**  
Technical college-level courses and programs designed to prepare students to enter immediately into the workforce.
- **The Economic Development Function**  
Workplace preparedness provided through courses, workshops, conferences, seminars, and activities designed to support economic development and meet the needs of the community by preparing students for high-wage, high-skill jobs.
- **The General Education Function**  
General education courses designed to prepare students for responsible citizenship, for wholesome and creative participation in life activities, and for intelligent decision making.
- **The Student Services Function**  
Student services and activities designed to assist students in assessing and achieving their goals through academic, career, and personal decision making and planning.
- **The Developmental Function**  
Developmental courses designed to enable students to achieve college-level competency in reading, writing, mathematics, and elementary algebra.
