

PUBLIC SAFETY ADMINISTRATION

Bachelor of Applied Science in Public Safety Administration (CIP #1104399991)

School of Public Safety, Legal Studies & Education

The Bachelor of Applied Science (B.A.S.) in Public Safety Administration program is designed to educate students and develop essential skills to manage and lead public safety organizations. Students will apply theory to practical, real-life scenarios as they develop critical thinking skills necessary for a career in public safety in local, state, or federal governments and the private sector. The program focuses on discipline-specific workforce skills related to public safety administration and personnel management, policy and law, communications and the community, operational planning, and research methods. The coursework emphasizes the practical and theoretical skills of supervision, management, administration, and leadership, focusing on the public safety organizations of criminal justice, fire rescue, and other public and private sector safety careers.

This is a workforce-driven degree program for students who have earned an Associate in Science or Associate of Arts degree and desire to pursue or advance in a career in public safety. The program also offers opportunities to earn credit for prior learning and articulation of industry certifications for credits.

Graduation Requirements:

- In addition to completing the course requirements detailed in the curriculum in order to graduate, students must:
- Earn a minimum 2.0 Valencia College and Overall GPA.
- Complete all Core and Concentration course work with a minimum grade of C (2.0) in all core and concentration courses.
- Satisfy Valencia's General Education requirements and Gordon Rule requirements unless you hold an Associate in Arts or Bachelor's degree or have completed the entire general education program at a regionally accredited institution.
- Satisfy the civic literacy requirement. As per Florida Rule 6A-10.04213, prior to the award of an associate in arts or baccalaureate degree, students initially entering a Florida College System institution in the 2021-22 school year*, and thereafter must demonstrate competency in civic literacy prior to graduation by:
 - a. receiving a passing score on the Florida Civic Literacy Exam (FCLE), and
 - b. successful completion of one of the following:
 - successfully passing POS 2041 U.S. GOVERNMENT or AMH 2020 U.S. HISTORY 1877 TO PRESENT or
 - successfully passing a prescribed assessment:
 - AP Government & Politics: United States Test** (passing score =3), or
 - AP United States History Test** (passing score = 4), or
 - CLEP American Government** (passing score = 50)

*The Department of Education has provided guidance that the Civic Literacy requirement is based on the student's governing catalog year (e.g., it is for all students who have a catalog year of Fall 2021 or after even if they had previously attended a Florida public institution).

**receiving a passing score will satisfy both the FCLE and course requirements.

- Complete at least 25% of the 120 credit hour degree program (30 credits) at Valencia College, based upon the Florida College System's requirement of a 2+2 admission into the baccalaureate program. Fifteen of those credits must be 3000 or 4000 level courses from the program core course list.
- Submit an application for graduation through Atlas by the deadline date listed in the Academic Calendar in the online official catalog. The student must have at least the minimum number of college-level credits for the degree, including all courses currently registered, in order to submit a graduation application.
- Fulfill all financial obligations to Valencia College.
- Foreign Language: Successfully complete the Florida foreign language requirement: two years high school or one year of college (at least eight credits) in a single foreign language. American Sign Language is acceptable. Foreign language taken at the college level does not satisfy the General Education credits.

Total Semester Credits required – 120 credit hours in addition to completing the Civic Literacy and Foreign Language Requirements above. The credit courses required may vary depending on the credits the student brings to the BAS program. Additional courses to complete the required 120 credit hours for graduation must apply to the degree and be approved by an advisor.
