

DUAL ENROLLMENT

Entry Testing for Dual Enrollment Students

You must provide college ready test scores (ACT, PERT or SAT) in English, reading and mathematics prior to being accepted into the Dual Enrollment program. For more information regarding the steps to apply, deadline dates, and test score requirements, please visit <https://valenciacollege.edu/dual> (<https://valenciacollege.edu/dual/>). All test scores must comply with the minimum requirements and be submitted by the established test score deadline. Test scores will be used for appropriate placement into college-level courses.
