

REPAYMENT OF UNEARNED FEDERAL FINANCIAL AID

If you receive Title IV federal financial aid and completely withdraw from all of your classes within the first 60% of the term, stop attending all classes without notification or have a break in attendance during the semester, a pro-rated portion of your financial aid may need to be repaid. In this case, you will be billed for the amount of aid that must be repaid, and holds will be placed on your record until the bill is settled.

A detailed explanation of the calculation is available under The Return to Title IV Process section here: <https://valenciacollege.edu/finaid/getting-started/attending-and-withdrawing.php>
