

NEW STUDENT ORIENTATION

All new, degree-seeking students are required to participate in orientation before registering for their first term. New Student Orientation includes information related to career and education planning, college resources, and course selection and registration help. The New Student Orientation portal is found in the student's MyVC account. Students are able to register for classes after completing New Student Orientation. For more information, visit <https://valenciacollege.edu/admissions/orientation/>.
