

TRANSFER PLANS

Transfer Plans are designed to prepare students to transfer to a Florida public university as a junior. The courses listed in the plans are the common prerequisites required for the degree. They are placed within the general education requirements and/or the elective credits. Specific universities may have additional requirements, so it is best check your transfer institution catalog and meet with a Valencia advisor.

Valencia offers the following transfer plans:

- Accounting (<http://catalog.valenciacollege.edu/transferplans/accounting>)
- Biology (<http://catalog.valenciacollege.edu/transferplans/biology>)
- Biomedical Sciences (<http://catalog.valenciacollege.edu/transferplans/biomedicalsciences>)
