CRIMINAL JUSTICE

Criminal Justice with Specialization in:
- Homeland Security

Associate in Science Degree (CIP# 1743010302)
(Articulated A.S. to B.S. Career Path)
The Criminal Justice degree program offers the student a broad
background in the history, philosophy, organization, management
and operation of the criminal justice system. It is designed for students who
seek immediate employment in the field of criminal justice and/or who
decide to utilize this Articulated A.S. to B.S. Career Path to transfer to any
Florida public university as a junior to complete a four-year Bachelor's of
Science degree in Criminal Justice.

This program prepares students to work in law enforcement, corrections,
private/industry security and other criminal justice fields. It is also
beneficial to professionals seeking incentive benefits or career
enhancement. In addition, this program can be useful as a first step
toward a career in other legal or public service careers. Successful
completion of a state-certified training academy and state examination
is required to be a sworn law enforcement or corrections officer in the
State of Florida regardless of any degree work which may have been
completed.

Students are strongly encouraged to consult a career program advisor in
the department office for assistance in determining the best education
plan for their career goals.

Students wishing to transfer any credits from this program to another
institution must accept responsibility for securing approval from the
transfer institution.

Although scheduling may not always provide for the following
progression of courses, students should use the foundation, intermediate
and advanced course sequence as a guide in program planning. This is
found at http://net1.valenciacollege.edu/future-students/degree-options/
associates/criminal-justice/

All degree-seeking students must satisfy entry testing requirements
and satisfactorily complete all mandatory courses in reading, student
success, mathematics, English, and English for Academic Purposes in
which the student is placed.

Alternative Ways to Earn Credit toward this Degree
Graduates of the Criminal Justice Institute and specific programs at
Orange Technical College and Osceola Technical College, as well as
other institutions may be eligible to receive college credit for courses in
this program. You may also be eligible to receive credit toward
this degree if you have earned one of the approved Gold Standard
industry certifications or Career Pathways credit. To learn more
about Valencia's award of credit options visit: valenciacollege.edu/asdegrees/credit_octc.cfm (http://valenciacollege.edu/asdegrees/
transferagreements.cfm). Eligible students should contact the Career
Program Advisor in their academic department for more information
about the requirements for the award of credit.

College Credit Technical Certificates
The Criminal Justice A.S. degree also offers the following college credit
certificate programs. These certificates can put you on the fast-track
to reaching your career goals. They are designed to equip you with a
specialized skill set for entry-level employment or to upgrade your skills
for job advancement. Most can be completed in one year or less, and all
of the courses in the certificates are embedded in the A.S. degree. You
can earn the certificates as you progress through your A.S. Degree or as a
separate, stand-alone credential. Click on the Certificate tab at the top of
the page for more information about the certificates that are offered.
