

# DIRECTCONNECT® TO UCF

---

Valencia College partners with the University of Central Florida (UCF) through DirectConnect® to UCF (<https://directconnect.ucf.edu/>), a program that provides students with a clear, supported path to a UCF bachelor's degree. Students who earn an Associate in Arts (A.A.) degree or an articulated Associate in Science (A.S.) degree from Valencia College receive:

- Guaranteed admission to UCF\*
- Expanded opportunities to complete a UCF bachelor's degree on Valencia campuses
- Consideration for limited-access programs alongside native UCF applicants

UCF also provides advising, admissions, financial aid, and academic support services on Valencia's East, Osceola, and West campuses.

\*Admission to a student's preferred major or limited-access program is not guaranteed.

## Participate in DirectConnect® to UCF

Follow the steps below to participate in the DirectConnect® to UCF program. Students may also speak with their Valencia Student Success Coach or a UCF Success Coach for help signing up.

1. Indicate your goal of earning a UCF bachelor's degree on your Valencia application, or submit a Student Record Information Form at any campus First Stop Center before completing 30 credit hours.
2. Pursue an A.A. or articulated A.S. degree as a degree-seeking student at Valencia College.
3. Sign up for DirectConnect (<https://directconnect.ucf.edu/>)® to UCF online.
4. Discuss your degree plans with your Valencia Student Success Coach and a UCF Success Coach to stay on track for both degrees.
5. Submit your UCF application once you have earned 45 college credits toward your Valencia degree.
6. Graduate with your A.A. or articulated A.S. degree.

## Learn More

Visit DirectConnect to UCF (<https://directconnect.ucf.edu/>) to learn more about the steps to participate, events, and resources available to ensure a successful transfer to UCF.
