

# MGF: LIBERAL ARTS MATHEMATICS

---

<b>Courses</b>	Credit(s)	Contact	Lab
MGF 1106. LIBERAL ARTS MATHEMATICS I.	3	3	0
LIBERAL ARTS MATHEMATICS I Prerequisite: Minimum grade of C in MAT 0018C or higher or appropriate score on an approved assessment. Topics include systematic counting, probability, statistics, geometry, sets, logic, and the history of mathematics. Minimum grade of C required if MGF 1106 is used to satisfy Gordon Rule and general education requirements. Credit may not be given for both MGF1106 and MGF2106 nor for MGF1106 and MGF2202.			
MGF 1106H. LIBERAL ARTS MATHEMATICS I - HONORS.	3	3	0
LIBERAL ARTS MATHEMATICS I - HONORS Prerequisite: Minimum grade of C in MAT 0018C or higher or appropriate score on an approved assessment. Topics include systematic counting, probability, statistics, geometry, sets, logic, and the history of mathematics. Minimum grade of C required if MGF1106 is used to satisfy Gordon Rule and general education requirements. Credit may not be given for both MGF1106 and MGF2106 nor for MGF1106 and MGF2202. In addition, course content will satisfy one Honors Program learning outcome. Honors Program permission required.			
MGF 1107. LIBERAL ARTS MATHEMATICS II.	3	3	0
LIBERAL ARTS MATHEMATICS II Prerequisite: Minimum grade of C in MAT 1033C or MAC 1105 or MGF 1106 or STA 2023 or appropriate score on an approved assessment. This course covers topics chosen from numeration and mathematical systems, elementary number theory, linear and exponential growth, financial mathematics, voting and apportionment, graph theory, geometric transformations, history of mathematics in the context of selected topics, connections to other disciplines, and other special topics in mathematics. Minimum grade of C required if course is used to satisfy Gordon Rule and general education requirements.
