To select the most appropriate electives, create an education plan through Atlas for review with a Student Services staff member.

Students who earn college-level foreign language credits through course work or CLEP may apply these credits toward the 24 Elective credits.
- If your native language is a language other than English, you may satisfy the foreign language proficiency requirement by successful completion of English for Academic Purposes (EAP) course requirements and successful completion of the Area I Communications requirements for the Associate in Arts degree.
- Demonstrated college-level proficiency in American Sign Language (either through completion of eight semester credits or successful completion of ASL 2150) can be used to fulfill this requirement at Valencia.
- Demonstration of proficiency by passing Advanced Placement test with a score of 4 or higher.
- American Sign Language cannot be used to fulfill the foreign language graduation requirement at many universities. Students are responsible for verifying acceptability at the institution to which they plan to transfer.

Note: Satisfaction of this graduation requirement for Valencia may also satisfy the foreign language admission requirement for Florida public universities; it may or may not satisfy a specific university graduation requirement. Students are encouraged to find out the specific requirements of institutions in which they are interested.
