

DANCE PERFORMANCE DEGREE PATHWAY

Degree pathways are designed for the student who plans to transfer to a Florida public institution as a junior to complete a Bachelor's degree after completing an Associate in Arts (<http://catalog.valenciacollege.edu/degrees/associateinarts/>) degree at Valencia. Students who plan to transfer to a limited-access program are responsible for completing the specific requirements of the institution to which they will transfer as completion of this degree pathway does not guarantee admission to an upper division limited-access program.

This degree pathway includes the following Common Program Prerequisites (CPPs) which are required for transfer to the Dance Performance major at the University of South Florida and/or any Florida public institution:

DAA 1680C	REPERTORY I FOR MAJORS	1-3
DAA 1681C	REPERTORY II FOR MAJORS	1-3
DAA 2610C	DANCE COMPOSITION & IMPROVISATION I FOR MAJORS	1-3
DAA 2611C	DANCE COMPOSITION & IMPROVISATION II FOR MAJORS	1-3
Any DAA x200-x209 Courses		8
Any DAA x100-x109 Courses		8

CPPs may also satisfy some general education (<http://catalog.valenciacollege.edu/degrees/associateinarts/courserequirements/>) requirements.

Start Right - Pathway Plan

You are encouraged to develop an education plan that includes the courses required for your A.A. degree and the CPPs needed for transfer to your intended bachelor's major. For course sequencing recommendations, visit the Degree Pathways (<https://valenciacollege.edu/students/advising-counseling/degree-pathways/>) website. Once you have created your plan, you are encouraged to review it with an advisor.

Financial Aid

In order to be eligible for and calculated in your enrollment status for financial aid, courses for which you are enrolled must count toward your Associate in Arts (<http://catalog.valenciacollege.edu/degrees/associateinarts/courserequirements/>) degree (36 credits of general education (<http://catalog.valenciacollege.edu/degrees/associateinarts/courserequirements/>) and 24 credits of electives). CPPs may not be calculated in your enrollment status for financial aid purposes if you took other course work outside of the Associate in Arts degree requirements (examples include prior course work from prerequisites, changing a major, and transfer course work).
