SIGN LANGUAGE INTERPRETATION DEGREE PATHWAY

Degree pathways are designed for the student who plans to transfer to a Florida public university as a junior to complete a Bachelor's degree after completing an Associate in Arts (https://catalog.valenciacollege.edu/degrees/associateinarts/) degree at Valencia. Students who plan to transfer to a limited-access program are responsible for completing the specific requirements of the institution to which they will transfer as completion of this degree pathway does not guarantee admission to an upper division limited-access program.

This degree pathway includes the following Common Program Prerequisites (CPPs) which are required for transfer to the Sign Language Interpretation major at the University of South Florida:

ASL 2140	AMERICAN SIGN LANGUAGE I	4
ASL 2150	AMERICAN SIGN LANGUAGE II	4
ASL 2160	AMERICAN SIGN LANGUAGE III	4
ASL 2200	AMERICAN SIGN LANGUAGE IV	4
ASL 2300	STRUCTURE OF AMERICAN SIGN LANGUAGE	3

CPPs may also satisfy some general education (https://catalog.valenciacollege.edu/degrees/associateinarts/courserequirements/) requirements.

Start Right - Pathway Plan

You are encouraged to develop an education plan that includes the courses required for your A.A. degree and the CPPs needed for transfer to your intended bachelor's major. For course sequencing recommendations, visit the Degree Pathways (https://valenciacollege.edu/students/advising-counseling/degree-pathways/) website. Once you have created your plan, you are encouraged to review it with a Student Success Coach.

Financial Aid

In order to be eligible for and calculated in your enrollment status for financial aid, courses for which you are enrolled must count toward your Associate in Arts (https://catalog.valenciacollege.edu/degrees/associateinarts/courserequirements/) degree (36 credits of general education (https://catalog.valenciacollege.edu/degrees/associateinarts/courserequirements/) and 24 credits of electives). CPPs may not be calculated in your enrollment status for financial aid purposes if you took other course work outside of the Associate in Arts degree requirements (examples include prior course work from prerequisites, changing a major, and transfer course work).
