

PRE-MAJOR, LOGISTICS MANAGEMENT

This Articulated Pre-Major is designed for the student who plans to transfer to the **Florida Institute of Technology (FIT)** as a junior to complete a four-year Bachelor of Science degree in Logistics Management. It is based on an articulation agreement in Logistics Management with FIT. Students who plan to transfer are responsible for completing the admissions requirements for FIT. For more information on the program, visit FIT (<http://valenciacollege.edu/aadegrees/articulation/FloridaInstituteofTechnologyLogisticsManagement.cfm>).

This pre-major is a planned course of study that includes suggested courses in several areas: Courses to satisfy Valencia's general education requirements for the A.A. degree, the Statewide Common Program Prerequisites for the specific upper division major, the requirements needed to transfer to the University of Central Florida, and/or another Florida public institution, and courses that have been selected by faculty as best preparation for your major but are not required for transfer.

All degree-seeking students must satisfy entry-testing requirements and satisfactorily complete all mandated courses in reading, student success, mathematics, English, and English for Academic Purposes in which the student is placed. Students must complete all prerequisites for the listed course requirements and Valencia's foreign language proficiency requirement. Courses meeting the preceding requirements will be in addition to the 60 credits listed. The courses do not have to be taken in the order listed; the sequence suggested is based upon prerequisites and level of course difficulty for most students.

Start Right

Degree-seeking students enrolling at Valencia for the first time will have a limited range of courses from which to choose for their first 18 college-level credits. Within the first 18 college credit hours, you will be required to take SLS 1122 (3 credits), ENC1101 (3 credits), and a mathematics course appropriate to your selected meta-major (3 credits). The remaining courses should be chosen from the General Education Core Courses in humanities (3 credits), science (3 credits), or social science (3 credits), and/or the introductory courses within the A.A. Pre-Majors (or articulated pre-majors for those tabs). For specific courses see the *Foundation Courses* on the "Planned Course of Study" tab. For course sequencing recommendations, you can create an education plan by logging into Atlas, clicking on the LifeMap tab and clicking My Education Plan.

Financial Aid

In order to be eligible for and calculated in your enrollment status for financial aid, courses for which you are enrolled must count toward your Associate in Arts degree (36 credits of general education and 24 credits of electives). Courses listed in this plan may not be eligible for and calculated in your enrollment status financial aid if you took other course work outside of this plan (examples include prior course work from prerequisites, changing a major, and transfer course work not included in this plan).

Math Pathways

A Math Pathway is the recommended math course sequence that leads to completion of the General Education math requirement that a student would take within his/her Meta-Major. The Meta-Majors are a collection of eight academic clusters that have related courses. The intent of selecting a Meta-Major is to help you choose a major and degree based

on your interests, knowledge, skills and abilities. The recommended math pathway for this transfer plan is the Business path; see the program requirements tab for specific courses. Advisors are available on all campuses to discuss Meta-Majors and to help you review transfer institution catalogs for specific math requirements.

This pre-major is a planned course of study that includes suggested courses in several areas: Courses to satisfy Valencia's general education requirements for the A.A. degree, the Statewide Common Program Prerequisites for the specific upper division major, the requirements needed to transfer to the University of Central Florida, and/or another Florida public institution, and courses that have been selected by faculty as best preparation for your major but are not required for transfer.

Financial Aid

In order to be eligible for and calculated in your enrollment status for financial aid, courses for which you are enrolled must count toward your Associate in Arts degree (36 credits of general education and 24 credits of electives). Courses listed in this plan may not be eligible for and calculated in your enrollment status financial aid if you took other course work outside of this plan (examples include prior course work from prerequisites, changing a major, and transfer course work not included in this plan).

Program Outcomes

- Incorporate business competencies for effective decision making
- Prepare basic financial statements
- Analyze financial information for internal decision making
- Assess ethical issues in business situations
- Demonstrate readiness for transfer

Foundation Courses

ENC 1101	FRESHMAN COMPOSITION I ^{++~}	3
SPC 1608	FUNDAMENTALS OF SPEECH ~	3
or SPC 1017	Interpersonal Communication	
Humanities	See Gen. Ed. Core Requirements ~	3
Science	See Gen. Ed. Core Requirement ~	3
SLS 1122	New Student Experience ~	3
MAC 1105	COLLEGE ALGEBRA ^{++~}	3

Intermediate Courses

ENC 1102	Freshman Comp II ^{++~}	3
HUM 2234	18TH AND 19TH CENTURY HUMANITIES ^{++~ (GR)}	3
MAC 2233	Calc For Busn and Soc Scien ^{++~}	3

Advanced Courses

EUH 2000	Ancient and Medieval West Civ ^{++~ (GR)}	3
STA 2023	STATISTICAL METHODS ^{++~}	3
CGS 1060C	INTRODUCTION TO COMPUTERS	3
BUL 2241	Business Law I	3
Science	See Gen. Ed. Core or Institutional Requirements ~	3
Social Science	See Gen. Ed. Core Requirement	3
Social Science Electives		3
Electives		12
Total Credit Hours		60

2 Pre-Major, Logistics Management

+ This course must be completed with a C or better.

* This course has a prerequisite; check description in Valencia catalog.

(GR) This is a Gordon Rule course.
