Criminal Justice

Criminal Justice with Specialization in:
• Homeland Security

Associate in Science Degree (CIP # 1743010302)
The Criminal Justice degree program offers the student a broad background in the history, philosophy, organization, management and operation of the criminal justice system. This program prepares students to work in law enforcement, corrections, private/industry security and other criminal justice fields. It is also beneficial to professionals seeking incentive benefits or career enhancement. In addition, this program can be useful as a first step toward a career in other legal or public service careers. Successful completion of a state-certified training academy and state examination is required to be a sworn law enforcement or corrections officer in the State of Florida regardless of any degree work which may have been completed.

Students are strongly encouraged to consult a career program advisor in the department office for assistance in determining the best education plan for their career goals.

Students wishing to transfer any credits from this program to another institution must accept responsibility for securing approval from the transfer institution.

Although scheduling may not always provide for the following progression of courses, students should use the foundation, intermediate and advanced course sequence as a guide in program planning. This is found at http://net1.valenciacollege.edu/future-students/degree-options/associates/criminal-justice/

All degree-seeking students must satisfy entry testing requirements and satisfactorily complete all mandatory courses in reading, student success, mathematics, English, and English for Academic Purposes in which the student is placed.

Alternative Ways to Earn Credit toward this Degree
Graduates of the Criminal Justice Institute and specific programs at Orange Technical College and Osceola Technical College, as well as other institutions may be eligible to receive college credit for courses in this program. You may also be eligible to receive credit toward this degree if you have earned one of the approved Gold Standard industry certifications or Career Pathways credit. To learn more about Valencia’s award of credit options, visit valenciacollege.edu/asdegrees/credit_occtc.cfm (http://valenciacollege.edu/asdegrees/transferagreements.cfm). Eligible students should contact the Career Program Advisor in their academic department for more information about the requirements for the award of credit.

College Credit Technical Certificates
The Criminal Justice A.S. degree also offers the following college credit certificate programs. These certificates can put you on the fast-track to reaching your career goals. They are designed to equip you with a specialized skill set for entry-level employment or to upgrade your skills for job advancement. Most can be completed in one year or less, and all of the courses in the certificates are embedded in the A.S. degree. You can earn the certificates as you progress through your A.S. Degree or as a separate, stand-alone credential. Click on the Certificate tab at the top of the page for more information about the certificates that are offered.
