

FIRE SERVICES

Fire Rescue Institute at Valencia

Valencia College, in collaboration with fire service agencies throughout Central Florida, has established the premier Fire Rescue Institute at the college's School of Public Safety. The Fire Rescue Institute's mission is to provide those needed career pathways to meet the needs of the fire service agencies throughout the region.. The programs infuse high quality and diverse learning and development opportunities to advance all professionals in the industry from entry level to officer. Primarily, the Fire Rescue Institute prepares students for the State of Florida Bureau of Fire Standards and Training certification testing for Firefighter.
