Hospitality and Tourism Management (A.S. Career Path and A.S. to B.S. Degree)

- Bar and Beverage Management Specialization
- Event Planning and Management Specialization
- Hotel Operations and Management Specialization
- Restaurant and Food Service Management Specialization
- Theme Park and Attractions Management Specialization

Associate in Science Degree (CIP# 1252090101)

The Hospitality Industry and its corresponding requirement for trained management employees is expanding. Whether you are interested in learning employable skills for the hospitality industry or upgrading your current talents, Valencia has courses that may interest you. Valencia's Hospitality program combines classroom instruction with on-the-job training to help students move into supervisory and mid-management positions in lodging, Food Service, tourism and hospitality.

This program provides two Career Paths. One that is designated for students who seek immediate employment in the field of Hospitality and Tourism Management and/or a second Career Path for those who plan to utilize the articulated A.S. to B.S. career path to transfer to the University of Central Florida or Florida International University as a junior to complete a Bachelor's degree in Hospitality Administration/Management.

Students are strongly encouraged to consult a Student Success Coach in the department office for assistance in determining the best education plan for their career goals.

Students wishing to transfer any credits from this program to another institution must accept responsibility for securing approval from the transfer institution.

Although scheduling may not always provide for the following progression of courses, students should use the foundation, intermediate and advanced course sequence as a guide in program planning.

All degree-seeking students must satisfy entry testing requirements and satisfactorily complete all mandatory courses in reading, student success, mathematics, English, and English for Academic Purposes in which the student is placed.

Alternative Ways to Earn Credit toward this Degree

Graduates of specific programs at Orange Technical College and Osceola Technical College, as well as other institutions may be eligible to receive college credit for courses in this program. You may also be eligible to receive credit toward this degree if you have earned one of the approved Gold Standard industry certifications or Career Pathways credit. To learn more about Valencia's award of credit options, visit valenciacollege.edu/transfer-agreements/ (<https://valenciacollege.edu/transfer-agreements/>). Eligible students should contact the Student Success Coach in their academic department for more information about the requirements for the award of credit.

College Credit Technical Certificates

The Hospitality and Tourism A.S. degree also offers the following college credit certificate programs. These certificates can put you on the fast-track to reaching your career goals. They are designed to equip you with a specialized skill set for entry-level employment or to upgrade your skills for job advancement. Most can be completed in one year or less, and all of the courses in the certificates are embedded in the A.S. degree. You can earn the certificates as you progress through your A.S. Degree or as a separate, stand-alone credential. Click on the Certificate tab at the top of the page for more information about the certificates that are offered.
