CARDIOPULMONARY SCIENCES

Bachelor of Science Degree in Cardiopulmonary Sciences (CIP# 1105109080)

Limited-Access

School of Allied Health

The Cardiopulmonary Sciences bachelor's degree offers professionally-credentialed graduates of Respiratory Care, Cardiovascular Technology and Cardiopulmonary Technology Associate degree programs the opportunity to expand their knowledge in advanced modalities or community health. The Cardiopulmonary Sciences professions are challenging and growing professions with career opportunities in areas such as cardiopulmonary diagnostics, cardiopulmonary rehabilitation, and community health. With professional experience and additional education at the baccalaureate level, opportunities for management and education career options are enhanced.

Although not entirely, the BSCARDIO program is basically an online program.

Since the BSCARDIO is a limited access program, admission to Valencia does not imply acceptance to the program.

Program Concentrations
• Advanced Critical Care Concentration
• Community Health Concentration
• Leadership Concentration

Potential Careers
• Respiratory Care Management/Administration
• Cardiovascular Management/Administration
• Higher Education
• Community Health Educator
• Clinical Practice in Non-Invasive Cardiology

Overview of Cardiopulmonary Sciences
For the Cardiopulmonary Sciences program, students must hold current professional certification and a related Associate in Science or Associate of Applied Science degree. Students must provide proof of current professional certification or its equivalent in one of the following: Registered Therapist (RRT) credential from the National Board for Respiratory Care (NBRC) or one of the following credentials from Cardiovascular Credentialing International (CCI):Registered Cardiovascular Invasive Specialist (RCIS), Registered Cardiac Electrophysiology Specialist (RCES), Registered Cardiac Sonographer (RCS), Registered Congenital Cardiac Sonographer (RCCS) or Registered Vascular Sonographer (RVS).

Students must have a minimum of 64 accepted credits and one of the following degrees from a regionally accredited institution.
• Associate Degree in Cardiovascular Technology
• Associate Degree in Cardiopulmonary Technology
• Associate Degree in Respiratory Care

For admission, the following prerequisite coursework must be completed with a minimum grade of C:

ENC 1101 FRESHMAN COMPOSITION I (GR) **~ 3
Mathematics See Gen. Ed. Requirement **~ 3
BSC 2093C HUMAN ANATOMY AND PHYSIOLOGY I **~ 4
or BSC X085C
BSC 2094C HUMAN ANATOMY AND PHYSIOLOGY II **~ 4
or BSC X086C
MCB 2010C MICROBIOLOGY **~ 4

Total Credit Hours 18

Courses with different numbers that are determined to be equivalent may be substituted.

In their junior and senior years, students will be required to complete the following coursework:
• Any additional credits needed to complete the state-mandated 36 General Education (http://catalog.valenciacollege.edu/degrees/ associateinarts/courserequirements/#General_Education) credits in all five areas according to Valencia program requirements. If a student holds an Associate in Arts degree or higher from a regionally accredited institution, all General Education requirements will be satisfied.
• 30 credits in upper-division core courses
• 10 credits in upper-division concentration area

Students are responsible for meeting the degree graduation requirements found under the Program Requirements tab located on this page.

Admission Requirements
• Be a U.S. citizen or U.S. permanent resident or in a non-immigrant category other than F or J visa categories
• Have an address in the State of Florida
• Review the current BSCARDIO Program Guide and Updates at https://valenciacollege.edu/academics/programs/health-sciences/cardiovascular-sciences/
• Submit a completed Valencia Application for Admission using the Bachelor’s Degree & ATC application, and be in Active Student Status.
• Have a minimum overall college GPA of 2.5
• Submit official transcripts from all prior colleges and universities with one denoting completion of an Associate degree in Respiratory Care, Cardiovascular Technology or Cardiopulmonary Technology from a regionally accredited institution and have a minimum of 64 accepted credits, including the previously-specified General Education coursework.
• Following your admission to Valencia College as a candidate for the Bachelor of Science, complete the online Bachelor’s Degree Orientation and submit a copy of your current certification with CCI or NBRC or equivalent certification to AlliedHealthBS.ATC@valenciacollege.edu.

Note: Prior to enrollment in a clinical practice, provide documentation of the following requirements:
• Current criminal background check
• Fingerprinting
• Drug testing
• Physical exam forms
• Up-to-date immunization data

Program Outcomes
• Perform effective communication skills within the healthcare environment
• Practice professional behaviors in the healthcare setting
• Perform advanced level skills as described by the scope of practice for selected concentration (Leadership or Community Health)
• Execute safe clinical decision making in the healthcare environment
• Demonstrate information literacy

Valencia B.S. General Education Requirements (18 credits)
Students who did not have a Humanities and/or Social Science course prior to program admission must have at least 6 credits in both areas for degree graduation.

Communications
ENC 1102 FRESHMAN COMPOSITION II **~
SPC 1608 or SPC 1017 FUNDAMENTALS OF SPEECH ~

Humanities
See Gen. Ed. Institutional Requirement (GR) **~

Mathematics
(Gr) (STA 2023 is recommended) **~

Social Science

HSC 4500 EPIDEMIOLOGY *
This course must be completed with a grade of C or better.

* This course has a prerequisite; check description in Valencia catalog

~ This is a general education course.

**Degree Graduation Requirements**

- Earn a minimum 2.0 Valencia and Overall GPA
- Earn a minimum grade of C (2.0) in all prerequisite and upper division courses
- Satisfy Valencia’s General Education requirements and Gordon Rule requirements unless you hold an Associate in Arts or Bachelor’s degree or have completed the entire general education program at a regionally accredited institution.
- Satisfy the civic literacy requirement. As per Florida Rule 6A-10.04213, prior to the award of an associate in arts or baccalaureate degree, students initially entering a Florida College System institution in the 2021-22 school year*, and thereafter must demonstrate competency in civic literacy prior to graduation by:
  a. receiving a passing score on the Florida Civic Literacy Exam (FCLE), and
  b. successful completion of one of the following:
     - successfully passing POS 2041 U.S. GOVERNMENT or AMH 2020 U.S. HISTORY 1877 TO PRESENT or
     - successfully passing a prescribed assessment:
       AP Government & Politics: United States Test** (passing score =3), or
       AP United States History Test** (passing score = 4), or
       CLEP American Government** (passing score = 50)
  *The Department of Education has provided guidance that the Civic Literacy requirement is based on the student’s governing catalog year (e.g., it is for all students who have a catalog year of Fall 2021 or after even if they had previously attended a Florida public institution).
  **receiving a passing score will satisfy both the FCLE and course requirements.
- Complete at least 40 semester credits of upper division course work
- Complete at Valencia at least 25% of the 128 hours degree program (32 credits), based upon the Florida College System’s requirement of a 2+2 admission into the baccalaureate program.
- Obtain a degree audit through your Atlas account and review it for readiness to submit your application for graduation.
- Submit an application for graduation online through Atlas by the deadline date listed in the Academic Calendar in the online official catalog. You must have at least the minimum number of college-level credits for your degree, including all courses for which you are registered in order to submit a graduation application.
- Fulfill all financial obligations to Valencia.
- Complete two years of one foreign language or American Sign Language in high school or one year of foreign language in college (or equivalent proficiency prior to graduation).
- Total Semester Credits required - 128.

**Notes:**
Specialized courses may not be offered every session.

**Transfer Notes:**
Students who hold an A.A. or Bachelor’s degree from a regionally accredited institution have satisfied Valencia’s general education program requirements.
Students transferring from a regionally accredited institution with the general education program (GEP) requirements of that institution met have thereby satisfied Valencia GEP requirements.

**Registration Note:**
Once a student has been approved as “Course Registration Eligible,” it is the student’s responsibility to secure enrollment in the desired course(s).
