

INTERNATIONAL STUDENT SERVICES

International Student Services (ISS)

With more than 100 countries represented on our campuses, Valencia welcomes students from all over the world. Our dedicated International Student Services team supports the educational and personal development of international students and facilitates cultural connections between students, staff, and the local community in order to promote global citizenship. In addition to ensuring compliance with federal regulations, the ISS staff members provide a wide range of services for international students and their families including academic, immigration, and personal advising as well as cultural and educational programs and events.

The ISS invites international students as well as American students, faculty, staff and community members to access its services by visiting our website: International Student Services (<https://valenciacollege.edu/students/international-students/>).
