

DUAL ENROLLMENT

Entry Testing for Dual Enrollment Students

You must provide college ready test scores (ACT, PERT or SAT) in English, reading and mathematics prior to being accepted to participate in the Dual Enrollment program. For more information regarding the steps to apply, application deadline dates, and placement test score requirements, please visit <https://valenciacollege.edu/dual> (<https://valenciacollege.edu/dual/>). All scores must comply with our minimum requirements and be submitted by the established test score deadline. Your scores will be used for appropriate placement into college level courses.
