

PERT, SAT, ACT & CPT

- Requirements for Taking the PERT (p. 1)
- Exemptions from taking the PERT (p. 1) (including Senate Bill 1720)

Valencia's Assessment Office offers the PERT (Postsecondary Education Readiness Test) from McCann Associates. The PERT assesses reading, writing, and mathematics skills. You must apply to Valencia College before being assessed, and there is no additional charge for the PERT on your first attempt. Although there is no time limit, the PERT takes approximately two and a half to three hours. To take the PERT, visit the Testing & Assessment Office on any campus and bring an official, valid, government-issued photo identification, such as a driver's license or a passport.

Completion of entry testing is required prior to participation in New Student Orientation/Advisement and prior to registration for any course that has a specific entry test score as a prerequisite.

For placement purposes, each of the skill areas of English, reading and mathematics are independent of each other, which means that you may place at the college level in one or more areas and at the developmental level in the other area(s). College-level ACT and SAT scores, and CLT scores can be used for placement in lieu of PERT scores. You may use the highest score from the ACT, CLT, PERT or SAT for placement; for example, you may use your PERT score for placement in mathematics and your SAT score for placement in reading and English. Scores are valid if they are less than two years old at the time of term registration.

If your skills are below the levels defined by the Florida Department of Education as required for successful performance in a college-credit program, you are restricted to developmental courses and any other instruction for which you are adequately prepared.

The Testing/Placement Charts that provide scores and corresponding course placements are located later in this catalog section.

Requirements for Taking the PERT

Whether you are a full-time or a part-time student, if you do not qualify for one of the exceptions that follow, you must complete the PERT prior to participating in New Student Orientation/Advisement and prior to registration for any course that has a specific entry test score as a prerequisite (Florida State Board of Education Rule 6A-10.0315).

If your entry test scores are more than two years old at the time of term registration and you have not completed any developmental coursework in the subject area, then you must retake the PERT for placement.

A student is eligible for a retake in one of the following instances:

1. If you have two sets of PERT scores in the last two years and you have not begun the developmental coursework in the subject area (have not been enrolled past the drop/delete deadline).
2. If your test scores are more than two years old at the time of term registration, and you have not successfully completed the developmental coursework in the subject area.
3. If your test scores are more than two years old at the time of term registration, and you have successfully completed developmental coursework in the subject area more than two years ago.

A student is not eligible for a retake in one of the following instances:

1. If you have one or two sets of PERT scores in the last two years and you have begun the developmental coursework in the subject area.
2. If you have three sets of PERT scores in the last two years.

A student is allowed 3 PERT attempts at Valencia in a two year period with a one-day wait period between attempts. To be valid, test scores must be less than two years old at the time of term registration. Once a student has applied to Valencia College or any of Valencia College's programs, we will not accept scores from another institution unless they are transferring scores from a previously enrolled institution and the test date was *prior* to applying to Valencia College, or if a student tested in high school. Retake and review session information can be found at the following link: <https://valenciacollege.edu/pert>. (<https://valenciacollege.edu/pert/>)

There is a \$10 PERT retake fee for each subtest.

Exemptions to Requirements for Taking the PERT:

You will be exempt from taking the PERT, unless needed as a prerequisite for a specific course, if you provide written documentation for one of the following exceptions:

1. You have official PERT, SAT, ACT, CLT and/or ACCUPLACER scores less than two years old at the time of term registration that place you in college-level course work at Valencia College.
2. You have attended a U.S. regionally accredited college or university in which English was the language of instruction and have completed college-level or the highest developmental level course work, as evaluated by Valencia College, in English and/or mathematics with a grade of C or better.
3. You hold a college degree from a U.S. regionally accredited college or university in which English was the language of instruction and have submitted your official transcript to Valencia College for review.
4. Your official Valencia College record indicates that you are a transient student.
5. Your official Valencia College record indicates that you are enrolled for teacher recertification.
6. Your official Valencia College record indicates that you are enrolled in an Applied Technology Diploma, an Advanced Technical Certificate, a Career Certificate, or a Technical Certificate program.
7. Your official Valencia College record indicates that you are enrolled for job improvement or personal interest.
8. Your official Valencia College record indicates that you are enrolled in the Educator's Preparation Institute.
9. You choose to begin with the most basic developmental courses: ENC 0017 and DEVELOPMENTAL MATHEMATICS I (MAT 0018C (<https://catalog.valenciacollege.edu/search/?P=MAT%200018C>)). This decision means you waive your right for entry testing now or in the future, and you will be required to complete satisfactorily the course NEW STUDENT EXPERIENCE (SLS 1122 (<https://catalog.valenciacollege.edu/search/?P=SLS%201122>)).
10. **Florida Statute 1008.30 Exemptions:**
 - a. Your official Valencia College record indicates that you entered 9th grade in a Florida public school in the 2003-2004 school year, or any year thereafter, and earned a Florida standard high school diploma. (High school transcript is required for this exemption)
 - b. Your official Valencia College record indicates that you are serving as an active duty member of any branch of the United

States Armed Services. (Current military orders are required for this exemption.)

NOTE: Students who are exempt through the Florida Statute 1008.30 (http://www.leg.state.fl.us/statutes/?App_mode=Display_Statute&URL=1000-1099/1008/Sections/1008.30.html) are not required to take PERT or developmental education courses, however they may choose to take the PERT to review their current skill set and/or choose to take developmental education to prepare for college-level coursework. Under this exemption, students who take the PERT are not required to register for coursework based on their PERT scores, therefore they are still eligible to register for college-level coursework regardless of PERT scores.

SAT, ACT, CLT & ACCUPLACER

Official SAT, ACT, CLT and/or ACCUPLACER scores may be substituted for all or part of the PERT. These scores must be college-level and less than two years old at the time of term registration. Scores sent from CollegeBoard or ACT take five weeks to receive and process. Please visit <https://valenciacollege.edu/students/assessments/requesting-scores.php> for information on submitting scores.
