

REQUIREMENTS FOR PASSING DEVELOPMENTAL & EAP COURSES

Each developmental course and each English for Academic Purposes (EAP) course must be completed with a grade of C or better for successful completion to advance to the next level of course work.

A departmental final exam is a component of the developmental courses in mathematics (MAT 0022C (<https://catalog.valenciacollege.edu/search/?P=MAT%200022C>) DEVELOPMENTAL MATHEMATICS COMBINED and MAT 0028C (<https://catalog.valenciacollege.edu/search/?P=MAT%200028C>) DEVELOPMENTAL MATHEMATICS II), and combined English and Reading (ENC 0027). To pass these exit-level courses, you must successfully complete all course requirements. EAP courses beginning with the number '0' do not apply toward any degree program or technical certificate.
