

# OFFICE FOR STUDENTS WITH DISABILITIES

---

Valencia is committed to ensuring that all of its programs and services are accessible to students with disabilities. The Office for Students with Disabilities (OSD) determines reasonable and appropriate accommodations for qualified students with documented disabilities based upon the need and impact of the specific disability. Services may include, but are not limited to, academic advising, assistance with classroom accommodations, assistance with course registration, adaptive equipment, training with assistive technology, and referral to campus and community services for students with disabilities. To inquire about support services, individuals who plan to attend Valencia should visit the Web site: [valenciacollege.edu/osd](http://valenciacollege.edu/osd) (<http://valenciacollege.edu/osd/>) and take appropriate documentation of disability to the OSD on their campus:
