

RECORDS

It is your responsibility to notify Valencia College of any change in your record, such as address, status, etc. You are required to keep Valencia College informed of your current mailing address, which you must update through your Atlas account. Please be advised that certain updates to your record will require supporting documentation such as name changes. If we send mail to the mailing address in your student record and it is returned to the College, you will have a hold placed on your record that will prevent access to your records and registration until your address is updated.

All documents submitted to Valencia College become the property of the College and will not be returned to the student.
